

MASS MARCH AND RALLY FOR DRIVER'S LICENSES & CITIZENSHIP

Join Wisconsin Immigrant Essential Workers on a historic 9-day march from Milwaukee to Madison to pressure the Biden Administration and Democrats in congress to include citizenship for 11 million in the infrastructure and jobs budget bill that will be voted on this summer.

Commit to a day or more, as we kick off the march in Milwaukee on Sunday, June 20th to honor immigrant fathers (Father's Day) and build towards a final mass march and rally at the State Capitol in Madison on Monday, June 28.
